OC Parks continues to offer a robust suite of family-friendly virtual programming and highlights to educate, entertain, and support recreation within local neighborhoods. The programs are a combination of live and recorded events that can be accessed on both Facebook and Instagram. Daily themed social media events and highlights include:

- #MondayMemories: Mondays will feature content provided by Archaeology / Paleontology or Historical staff.
- #TriviaTuesdays: Tuesdays will feature OC Parks related trivia.
- #WildlifeWednesday: Wednesdays will feature wildlife updates from the OC Zoo or parks.
- #ThrowbackThursday: Thursdays will feature “throwback” posts highlighting past or classic content.
- #FeatureFriday: Fridays will feature staff sharing interesting information and highlights from their parks or facilities.
- #ScenicSaturday: Saturdays will feature various scenic sights from throughout the parks.
- Sundays will feature “The Week Ahead” infographics alerting followers of weekly content to come.

OC Parks Drive-In Movies

OC Parks held a successful launch of its first drive-in movie featuring Jurassic Park at Mile Square Regional Park on July 17, 18 and 19. Tickets for all dates sold out in less than eight hours, and the event welcomed approximately 300 attendees each night. Additional steps were taken to ensure guests remained physically distanced by strategically parking vehicles to allow for plenty of space and a good view of the screen.

Feedback was overwhelmingly positive, and staff are currently planning more drive-in events to other facilities in the coming months.

VI. COMMISSION COMMENTS AND REPORT

At this time Commissioners may comment on agenda or non-agenda matters and ask questions of or give direction to staff, provided that no action may be taken on off-agenda items unless authorized by law.
