

Capistrano Beach Coastal Protection Repair Project

Project Summary

OC Public Works will complete repairs and maintenance at Capistrano Beach Park, an OC Parks beach, within the City of Dana Point. Public access may be limited during construction.

WHAT

Work for this project includes:

- Removal of approximately 200 linear feet of sandcubes and other remnant material.
- Construction of a revetment from new and salvaged rock (rip-rap).
- Backfilling with sand from stockpile.
- Repairs to existing sandbag protection.

PARKING LOT CLOSED

The parking lot will be closed during construction. No stopping or parking will be permitted.

DETOURS AND SAFETY

Flaggers will direct both pedestrians and bicyclists to avoid work area. **Watch for additional traffic control measures including construction signage.**

BACKGROUND

Sandcube protection placed in 2015 has reached its useful life and is in need of replacement. The California Coastal Commission (CCC) has approved use of rock as an interim measure.

WHEN

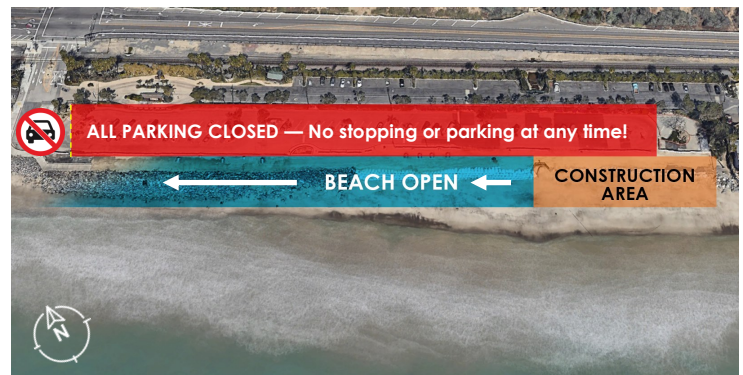

April 25, 2023 — Early June 2023

Work Schedule

Monday — Friday, 7 a.m. — 5 p.m.

Working hours and schedule will vary due to tides, inclement weather, ocean conditions, and other factors.

WHERE

 Supervising Construction Inspector Bruce Poma | Phone (714) 448-1672
