Image retrieved open source from Internet (6/16/2017)

It is preferred that the Glasgow Coma Scale (Score) or GCS be given in sequence by category; for example a normal GCS would be 4-5-6 (total = 15)

- Total Score of 15 = Normal
- Total Score of 13 = Trauma triage criteria met
- Total Score of 8 = Coma
- Total Score of 3 = Lowest score possible
