Dana Wharf Parking Lot Maintenance Project

OC Dana Point Harbor will be managing repair work in the Dana Wharf parking lot on May 12 and 16, 2011.

The May 12, 2011 work will be limited to saw cutting around the areas to be removed. The May 16, 2011 work will entail the actual removal and replacement of asphalt pavement. The maintenance repair is scheduled to be performed in phases so as to minimize disruptions to normal daily activity and lessen disturbance to traffic flow in the parking lot.

Please see the exhibit below identifying the proposed project area.
