

Harbor Advisory

Coordinated Emergency Services Training Exercise

The morning of Wednesday June 23, 2010, a training exercise will take place just outside the entrance of Dana Point Harbor. The exercise will simulate a boating accident and will involve OC Dana Point Harbor, the City of Dana Point, OC Sheriff's Department (Dana Point Police Services and the Harbor Patrol), State Lifeguards, US Ocean Safety Lifeguards, OC Fire Authority, and Doctor's Ambulance.

The simulated patients will be transported to the launch ramp area, where the exercise will include triaging, treating, and transporting them to a hospital. It is likely that a Sheriff's Department helicopter will also be on scene as part of the exercise.

Please avoid the launch ramp area from 10:00am to 12:00pm to allow the exercise to be conducted.

For additional information or questions, please contact
Deputy Chris Corn, OCSD Harbor Patrol at (949) 723-1002.
