Residential Curbside Service with Three-Cart Recycling

Taormina is the exclusive hauler providing this service for \$18.92 per home per month. Taormina maintains a three-cart recycling system – one cart for trash, one cart for commingled recyclables, and one cart for green waste. Taormina provides bulky item pick-up service two (2) times per year with a maximum of ten (10) items per pick-up.

Commercial Service with No Recycling Program

Taormina is the exclusive hauler providing this service. No recycling program is provided for this service.

Multi-Family Commercial Service with No Recycling Program

Taormina is the exclusive hauler providing this service. No recycling program is provided for this service.

Electronic Waste (E-Waste)

The City is currently rolling out curbside pick-up of E-Waste as part of the bulky item pick-up. No collection events are provided for E-Waste disposal. The City refers residents to the Anaheim Household Hazardous Waste Collection Center (HHWCC) and the Huntington Beach HHWCC for E-Waste disposal.

Universal Waste (U-Waste)

No curbside pick-up service or collection events are provided for U-Waste disposal. The City provides a battery recycling and collection program at City facilities. The City refers residents to the Anaheim HHWCC and the Huntington Beach HHWCC for U-Waste disposal.

Household Hazardous Waste (HHW)

The City contracts with Curbside, Inc. to provide used oil collection (and other HHW when collecting used oil).

Medical Waste

The City does not participate in the Sharps by Mail program. No curbside pick-up service or collection events are provided for medical waste disposal.

Community-Specific or Other Recycling Programs

A compost give-away is held one (1) time each year by Republic Waste Industries to promote the recycling of green waste. The City contracts with Curbside, Inc. to provide used oil collection and other HHW (when collecting used oil). Information regarding this program is disseminated via flyers, community events, and giveaways.
