OC Parks invites children and families to learn all about Monarch Butterflies and their natural habitat with an up-close look at the magnificent creatures at the sixth annual Monarch Butterfly Day!

The free event takes place in the Butterfly Garden inside the park's Camp Sycamore located near parking lot E. Children can assist in planting plants to attract Monarch Butterflies. Participants can also go inside a netted butterfly enclosure.

Butterfly experts will be on-site to provide educational information and answer questions about the beautiful and unique specimens.

Additional activities include interpretive programs, children's crafts, face painting, a balloon artist and guided nature walks.

Recommended for ages four to 12. Remember to bring your cameras!

Event is free. Parking is \$5 per vehicle.
