## Wildlife Walk: Tracks

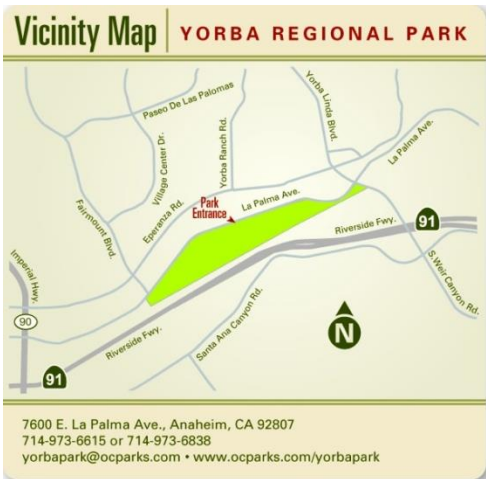

Saturday, April 11  
9:00 a.m.

Yorba Regional Park  
7600 E. La Palma  
Anaheim, CA 92807

Email to register:

**yorbapark@ocparks.com**

Please leave your name, phone number, number of participants in your group, and ages of participant(s) in your email.

Although we may not always see the animals that live in the park, they will often leave behind evidence. Join us on a walk to search for animal tracks. We will learn about identifying some native animal tracks, discuss other types of possible animal evidence, and make track rubbings that everyone can take home with them.

This program is ideal for kids ages 5-10, but everyone is welcome.

This event will be outside. Please bring water and dress accordingly.

Event is FREE!  
Parking is \$5 per vehicle
