Are you able to spot the ducks, geese and grebes in the lakes? Can you hear and see the songbirds on the trees and in the bushes? There may also be shorebirds and hawks at the park!

Come join an OC Parks volunteer and experienced birdwatcher and learn about the birds of William R. Mason Regional Park. While on an easy, half-mile walk around the park, you will be able to see and learn about a variety of birds that visit the park.

Water, sunscreen, a hat and comfortable shoes are recommended. Bring your binoculars to get better views of the birds.

Turn left at the stop sign after the park entrance and park in Parking Lot B. Meet by the Ranger Office.

Check www.ocparks.com for more information. Rain will cancel event.

Event is free.
Parking is \$3 per vehicle.
