Meet at the Nature Center.

Come see Carbon Canyon Regional Park in a completely different setting - in the dark! Park rangers will lead starlit hikes showcasing the natural wonders that can only be seen at night. The night hikes will feature many fun activities, including:

- A visit to the Nature Center.
- Nature of Wildworks live animal presentation.
- A hike through the wilderness area to the Redwood Grove.

These are outdoor events. Please dress warmly, wear good walking shoes and bring a flashlight.

Visit ocparks.com for more information. All night hikes will be the same, but are offered multiple evenings. Rain will cancel event.
