CONSTRUCTION NOTICE
for Irvine Ranch Historic Park (IRHP)
Entrance Improvements Project
(Sidewalk, Drainage, Signal, and Landscape Work)

As someone involved with this project or as a neighbor or user of Irvine Ranch Historic Park, please be aware that construction of the entrance improvements is to begin the week of December 21. It is expected to continue until March or April of next year.

The construction may result in detours for motorists, pedestrians and bicyclists and may impact parking at IRHP (OC Parks Headquarters and Outlying Offices, Katie Wheeler Branch Library, Farmers Market, Boy Scout Area). **Please drive slowly and safely throughout the park, and use caution around the construction areas.**

The attached Construction Notice and PowerPoint Presentation provide more information about the project. In the future, you will be receiving regular email notices regarding the project. If you do not wish to receive these notices, please reply to this email with a note to that effect. Construction updates will also be available at www.ocparks.com.

Charles Michinock is the OC Parks construction inspector for the project. Rosa Martinez of OC Parks can be contacted if you have questions about construction-related activities; she can be reached at (949) 585-6422.

Kindest regards,

Joanne Quirk, Project Manager
IRHP Entrance Improvements Project
OC Parks Design
