

Construction Alert

Ralph B. Clark Regional Park Pavement Rehabilitation Phase I and II

OC Public Works, on behalf of OC Parks, will complete a pavement rehabilitation project within Ralph B. Clark Regional Park located in the Cities of Fullerton and Buena Park. Minor sidewalk and curb ramps reconstruction will be performed outside of the Park at its northeast corner on Rosecrans Avenue. Park visitors may experience an increase in construction-related noise and dust during regular working hours. The work activity will be completed in phases, utilizing traffic control and flag personnel which will allow park visitors access to the majority of the park during construction. Park visitors are advised to adhere to all traffic control signage. All construction activity will occur on weekdays.

WHAT

Phase I

The first phase of rehabilitation work consists of curb ramps upgrades, reconstruction of sidewalk, curbs and gutters, cross gutters and installation of speed hump and signposts.

Phase II

The second phase of work consists of cap seal, slurry seal, reestablishing the existing pavement striping and markings and installation of new signs and wheel stops.

WHEN

Anticipated Construction Duration

August 19 — November 6, 2020

Working Days/Hours: Mon—Fri, 7 a.m.— 4 p.m.

The construction schedule is tentative and subject to change due to weather and other factors.
