

# Construction Alert

## SANTA ANA RIVER TRAIL BRIDGE REPAIRS

OC Parks in collaboration with OC Public Works will complete repairs of 3 Santa Ana River Trail Bridges. Work consists of removal and replacement of bridge decks and hand-railing (Bridge #1) and removal and replacement of 4th railing (Bridges #2 & 3). Bridge #1 in the City of Anaheim is closest to Imperial Highway bridge crossing over the Santa Ana River. Bridge #2 in the City of Santa Ana is closest to 17<sup>th</sup> Street bridge crossing over the Santa Ana River. Bridge #3 in the City of Costa Mesa is closest to Adams Avenue bridge crossing over the Santa Ana River. Bridge #1 repair work requires full bridge closure and detour will be set up. Remaining accessible, Bridges #2 & #3 railing replacement only require partial closure. Area motorists and other road users may experience delays when traveling through the project area during working hours. Traffic control measures, such as construction and detour signage and flag personnel will be present.
