

An aerial photograph of a wide, sandy beach curving along a coastline. The ocean is a vibrant blue-green, with white waves breaking onto the shore. To the right of the beach is a paved promenade lined with palm trees, and further right is a multi-lane highway with some traffic. In the background, a densely populated hillside rises above the beach.

CAPISTRANO-DOHENY BEACH

NATURE-BASED SHORELINE ADAPTATION PROJECT

COMMUNITY MEETING - NOVEMBER 13, 2025

Katrina
FOLEY
SUPERVISOR • FIFTH DISTRICT
