Join OC Parks at George Key Ranch Historic Park for Create in the Park! Drawing objects or buildings is easier if you learn how to first draw 3D box shapes. Our artist will review basic perspective rules that will help make your vehicles look realistic. We will practice sketching an old truck from several sides before starting a painting.

Bring a sketchbook, pencil and a ruler for these exercises.

This program is designed for ages 10 and older. Materials are not provided, only art instruction. A list of recommended materials will be made available to all registered participants in advance of the program. Sun protection, water and snacks are recommended.

This program is free with free parking, but reservations are required due to limited parking on-site. To RSVP, visit OCParks.com for more information or contact the park office at keyranch@ocparks.com.
